

ViON MarketPlace™

5 Key Facts

The ViON MarketPlace is a secure cloud services platform that enables IT managers to shop, compare, procure and manage IT infrastructure delivered as-a-Service.

- 1 Allows you to shop and compare features, specifications and pricing from multiple technology manufacturers on a single site**
 - Research an extensive portfolio of storage, network, compute, converged and hyper-converged technology solutions
 - Compare solutions, request a quote, place orders and track order status from anywhere at anytime
 - Accelerate migration to the next generation data center with ViON Data Center as-a-Service public, private and hybrid cloud solutions
- 2 Simplifies the IT procurement process and helps manage costs**
 - Reduce the time for acquiring new IT services from weeks to hours
 - Track orders from creation through acceptance for complete, end-to-end account visibility
 - Eliminate paying for unused storage with ViON's capacity-based model – only pay for the storage you need
- 3 Provides greater management and control over your "as-a-Service" IT environment**
 - Create multi-step workflows for requirements and approvals to provide complete control over IT service orders
 - Align IT services to business needs via an Information Technology Infrastructure Library (ITIL) governance framework for service delivery & support
 - Simplify management of IT assets with built-in change/configuration controls
- 4 Enables visibility and analytics with online service requests and reporting**
 - View metrics via real-time dashboards to monitor performance and service level reporting
 - Track expenses via online monthly billing and reporting tools
 - Submit service requests & ticketing 24/7/365 through an intuitive online portal
- 5 Accelerates IT modernization with Data Center as-a-Service solutions**
 - Upgrade to the next generation data center with storage, network, compute, converged and hyperconverged infrastructure delivered as-a-Service
 - Choose from the largest technology portfolio delivered "as-a-Service"
 - Experience the convenience, simplicity and quality of ViON's as-a-Service solutions
